Name and URL associated with your digital scholarship center:

Bucknell University Digital Scholarship Center

<http://budi.blogs.bucknell.edu/>

If you have a mission statement or some similar description of your center, please share it here:

The Digital Scholarship Center is Bucknell's public-facing space dedicated to digital scholarship. Specifically, it serves as a space for faculty project development, providing space for discussion, experimentation, and training.

Four types of activity are supported in this space: (1) Group project development and progress meetings; (2) One-on-one training; (3) Drop-in consultation; (4) Workshops, seminars, and events

What services does your center support?:

Consultation on digital technologies

Consultation on digital project management

Digital preservation/curation consultation

Workshops

Media production studio

Visualization studio

Makerspace

What type of staff is involved in the center?:

Information technology professionals

Multimedia professionals

Librarians

Information technologists

Faculty from academic departments

Graduate students

Undergraduate students

Please provide a URL or describe (in a few sentences) one digital project that has had support of the center:

<http://storiesofthesusquehanna.blogs.bucknell.edu/>

Please provide pointers to additional materials that may be helpful in understanding the structure and work of the center (journal articles, book chapters, web pages, reports, etc.): Bucknell has a merged Library and IT Division. Under the umbrella of Instructional Technology the DSC unites in a physical space the work of our Digital Scholarship Coordinators, GIS Specialists, Video Production Specialists, Librarian and Instructional Technologists.
