harlanwallach: Starting The Coalition for Networked Information fall membership meeting in this morning's exec round table #cni16f https://t.co/MdbQeZKcet
12/12/2016 1:33:35 PM

slwalter123: Opening #cni16f w/roundtable on collaboration across libraries, museums, IT. Here's an opener from @DePaulU https://t.co/GxiE90GGLE
12/12/2016 1:38:09 PM

slwalter123: One of my favorite resources 4 considering role of univ museums. Very relevant to libraries @UnivMuseumsGrp #cni16f https://t.co/MwSCqUSVYr
12/12/2016 1:49:05 PM

ncschistory: Unable to make @cni_org meeting this year. Tried but just didn't work with other travels. Y'all tweet lots, please. #cni16f
12/12/2016 1:56:35 PM

cni_org: Schedule for CNI Fall 2016 Membership Meeting: https://t.co/OP6pltto1I #cni16f
12/12/2016 2:05:18 PM

TAC_NISO: Attending a discussion about revising the authentication systems we use in scholarly publishing prior to #cni16f in Washington
12/12/2016 2:18:11 PM

TAC_NISO: Because publishers and libraries haven't made access control easy, users turn to elicit resource access points. #cni16f
12/12/2016 2:20:56 PM

TAC_NISO: STM RA21 task force began work in April and is now expanding outside publisher community ti improve access control systems #cni16f
12/12/2016 2:22:32 PM

julieatyalelib: Recommend: @mslindsayking and @pleonard "From Archives to Data: Crowdsourcing Special Collections" https://t.co/SsXBCDTpDp #cni16f
12/12/2016 2:22:58 PM

TAC_NISO: RT @cni_org: Schedule for CNI Fall 2016 Membership Meeting: https://t.co/OP6pltto1I #cni16f

12/12/2016 2:23:33 PM

TAC_NISO: Goal of RA21 effort is to adopt a recommended practice publishers can adopt to provide a standard user experience to provide access #cni16f
12/12/2016 2:24:46 PM

TAC_NISO: RA21 is NOT trying to create new technological solution to access control, but create a consistent user experience to improve access #cni16f
12/12/2016 2:25:39 PM

TAC_NISO: RA21 will seek to avoid creating another username/password. This is already ID management issue on the network. #cni16f
12/12/2016 2:26:28 PM

TAC_NISO: RA21 solution has to allow for a migration path from IP-based access #cni16f
12/12/2016 2:27:23 PM

TAC_NISO: You can create a structure that is both more traceable but still respects privacy. Anonymous versus pseudonymous #cni16f
12/12/2016 2:28:15 PM

cni_org: Please retweet! We are working to resolve tech difficulties w/ cni website; complete #cni16f schedule IS AVAILABLE: https://t.co/OP6pltto1I
12/12/2016 2:29:38 PM

TAC_NISO: 99% of access control issues have been hacked account info & are dealt with internally within the university systems not pub systems #cni16f
12/12/2016 2:32:36 PM

TAC_NISO: RT @cni_org: Please retweet! We are working to resolve tech difficulties w/ cni website; complete #cni16f schedule IS AVAILABLE: https://t.…

up: https://t.co/qJLc6uBtXX Thanks for the great turnout and feedback!
12/13/2016 6:00:13 PM

eyb: In session "Spaces for Learning and Scholarship" #cni16f
12/13/2016 6:02:28 PM

cshillum: RT @abugseye: Shillum lists quite reasonable user expectations re library
content access that are not being met today #cni16f https://t.co/…
12/13/2016 6:02:54 PM

eyb: Hearing about Notre Dame's Center for Digital Scholarship #cni16f
12/13/2016 6:03:12 PM

eyb: New service offered through that center - GIS services #cni16f
12/13/2016 6:04:27 PM

debra: Modern dig. Preserv. Approaches from @FedoraRepo "more than just software".
#cni16f https://t.co/6WWX34oPOR
12/13/2016 6:04:37 PM

GardnerCampbell: RT @joecar25: Good thread here of examples of failures #cni16f https://t.co/scXWypGaDI
12/13/2016 6:05:20 PM

eyb: Tried to zone their public spaces - quieter spaces for individuals plus a noisier area where teaching & collaboration hub is #cni16f
12/13/2016 6:06:08 PM

eyb: Added mobile furniture in Teaching and Collaboration space-accommodates different teaching/learning styles #cni16f
12/13/2016 6:06:41 PM

emilygwynne: It's a @CLIRnews reunion at the "Assessing Training for Digital Stewardship" panel at #cni16f #clirpostdoc
12/13/2016 6:07:11 PM

leslieR: RT @eyb: Added mobile furniture in Teaching and Collaboration space-accommodates different teaching/learning styles #cni16f
12/13/2016 6:07:26 PM

Pascal_Av: RT @wedaman: Learning about Open Science Framework and @socarxiv. I do love the idea of pre-print repositories. #cni16f
12/13/2016 6:08:00 PM

eyb: Creating a Visualization Lab - about to conduct a survey to determine campus needs in this area #cni16f
12/13/2016 6:08:03 PM

GardnerCampbell: Watching "Reimagining the Monograph" @JSTOR presentation https://t.co/TIsoxi5TqS #cni16f
12/13/2016 6:08:20 PM

eyb: Speciality Equipment Room (like 3D printing)-both for dealing with noise but also security of equipment #cni16f
12/13/2016 6:08:52 PM

jcdl2017: at #cni16f ? check out our flyer at the registration desk for #jcdl17 to be held in Toronto June 19-23, 2017 #TOscale #TOanalyze #TOdiscover
12/13/2016 6:09:01 PM

leslieR: Center for digital scholarship collocated with subject liaisons at Notre Dame #cni16f Near the tech commons.
12/13/2016 6:09:31 PM

eyb: Pulling services together to share expertise. Subject Liaisons close to the Center for Digital Scholarship #cni16f
12/13/2016 6:09:34 PM

leslieR: RT @eyb: Speciality Equipment Room (like 3D printing)-both for dealing with noise but also security of equipment #cni16f
12/13/2016 6:09:38 PM

rob_cartolano: David Wilcox, Fedora Product Manager begins Modern Digital Preservation Approaches from Fedora Community #CNI16f… https://t.co/MdUIA5jH6z
12/13/2016 6:09:50 PM

tjowens: Mackenzie Smith stressing @BIBFLOW is focused on implementation of linked data in core operations of a library #cni16f

12/13/2016 6:10:11 PM

eyb: Added multimedia studios (one button studio) - one large, one small in the Tech Commons #cni16f
12/13/2016 6:10:32 PM

wedaman: UC Davis talking about what it would take / be like to "flip" the library to a linked data ecosystem. #cni16f
12/13/2016 6:10:51 PM

GardnerCampbell: Now here's an aggressive timeline. :) Listening to @JSTOR and the "reimagining the monograph" project #cni16f https://t.co/cTMvN7IUMs
12/13/2016 6:10:52 PM

Pascal_Av: RT @rob_cartolano: @OyaRieger Key Findings - improving search is at the top #CNI16f https://t.co/QNUXWdw3fJ
12/13/2016 6:11:15 PM

rob_cartolano: What do you mean when you say "preservation" - Robin Ruggaber - people, processes, roles, workflows, tech, IP rights #CNI16f @FedoraRepo
12/13/2016 6:11:24 PM

tjowens: Still so much work needed across innovative digital library efforts to effect core operating functions of libraries. #cni16f
12/13/2016 6:11:29 PM

GardnerCampbell: @nodexl @cni_org @leslieR @TAC_NISO @kboughida @lljohnston @tjowens @eyb @mcdonald Getting an SSL error on my iPad. #cni16f
12/13/2016 6:11:51 PM

leslieR: Sustainability. increased focus on outreach and patron services #cni16f Center has one full time hire, other 10 people have smaller % time
12/13/2016 6:13:01 PM

eyb: In 2013 staff with similar work responsibilities were moved into the Center from other locations. Started with 5 FTE now at 11 #cni16f
12/13/2016 6:13:06 PM

rob_cartolano: Tom Cramer - semantic confusion about how we scope "digital preservation" - it's a journey, not a destination #CNI16f @tcramer @FedoraRepo
12/13/2016 6:13:13 PM

anjacks0n: RT @tjowens: Still so much work needed across innovative digital library efforts to effect core operating functions of libraries. #cni16f
12/13/2016 6:13:25 PM

tjowens: Reminds me of points @mpedson made in our "Digital Strategy Catches up With the Present" convo years back https://t.co/tFaVvXlmvm #cni16f
12/13/2016 6:13:36 PM

eyb: First office space was an open collaborative environment, now they are in private offices with collaborative space #cni16f
12/13/2016 6:14:09 PM

eyb: In addition, will have 4 Post Doc spaces #cni16f
12/13/2016 6:14:48 PM

ebengland8: The #NDSR survey knowledge areas. Already feel way more confident in many of these after just 2.5 months. #cni16f https://t.co/LE7vmnaiN0
12/13/2016 6:14:50 PM

jsalem75: .@psutlt one-button studios are part of the Center for Digital Scholarship at Notre Dame https://t.co/f5X8Yp9XXW #cni16f
12/13/2016 6:15:02 PM

abugseye: ND: when people are fed up w/ noise in open-office space, flee with laptops, defeats the collaborative idea of shared space :-) #cni16f
12/13/2016 6:15:20 PM

JSTOR: RT @GardnerCampbell: Now here's an aggressive timeline. :) Listening to @JSTOR and the "reimagining the monograph" project #cni16f https://…
12/13/2016 6:15:48 PM

hhockx: 5+1 program @NotreDame https://t.co/VP8Coxjs7K #cni16f
12/13/2016 6:15:48 PM

eyb: College of Arts & Letters (includes social sciences) represent the majority of inquiries to the Center #cni16f
12/13/2016 6:15:50 PM

JeffSpies: RT @jsalem75: .@psutlt one-button studios are part of the Center for Digital Scholarship at Notre Dame https://t.co/f5X8Yp9XXW #cni16f
12/13/2016 6:16:12 PM

rob_cartolano: Declan Fleming - curation is based on space-constricted, physical-based approach. Digital is different. #CNI16f @declan @FedoraRepo
12/13/2016 6:16:37 PM

mpetroz1: RT @BergisJules: Hey #cni16f folks make sure to check out @edsu tomorrow as he gives an update on @documentnow. https://t.co/qOVnZ4GGi9
12/13/2016 6:16:42 PM

leslieR: #cni16f Notre Dame CDS sees increasing interest from sciences - mostly around data management. Primarily used by grad students.
12/13/2016 6:17:09 PM

GardnerCampbell: Topicgraph as an enhanced discovery tool is great. I worry that it may decontextualize reading - and writing? 1/2 #cni16f
12/13/2016 6:17:11 PM

eyb: RT @leslieR: #cni16f Notre Dame CDS sees increasing interest from sciences - mostly around data management. Primarily used by grad student…
12/13/2016 6:17:43 PM

GuWa: .@macknzsmith and @cstahmer on BIBFLOW project: What would library tech services look like if completely flipped to #LOD? #cni16f
12/13/2016 6:18:17 PM

GardnerCampbell: A small but worrying analogy: scholarly monograph titles have to be more specific, less evocative, to aid online searching 2/2 #cni16f
12/13/2016 6:18:25 PM

rob_cartolano: Robin -with physical, you can observe deterioration, and you can take steps along the way to remediate. Not available with digital. #CNI16f

12/13/2016 6:18:35 PM

MaineLibAssoc: RT @GardnerCampbell: Now here's an aggressive timeline. :) Listening to @JSTOR and the "reimagining the monograph" project #cni16f https://…
12/13/2016 6:18:40 PM

leslieR: CDS asked to teach same intro workshops over and over #cni16f Developing for online asynchronous learning.
12/13/2016 6:18:43 PM

eyb: Asked to teach the same intro workshops over and over, so working with Office of Digital Learning to record and put online #cni16f
12/13/2016 6:18:49 PM

tjowens: RT @GuWa: .@macknzsmith and @cstahmer on BIBFLOW project: What would library tech services look like if completely flipped to #LOD? #cni16f
12/13/2016 6:18:57 PM

jsalem75: ND: over-saturating the market, "in an academic community there are only so many people interested in text-mining in a nutshell" #cni16f
12/13/2016 6:19:14 PM

kboughida: Digital Scholarship Center at Notre Dame: workshop saturation (less grad students) see slide #cni16f https://t.co/7eoEQez66K
12/13/2016 6:19:23 PM

leslieR: Use cases of CDS: GIS data to collect neighborhood conditions. #cni16f
12/13/2016 6:20:12 PM

KayesSuzy: RT @kboughida: Digital Scholarship Center at Notre Dame: workshop saturation (less grad students) see slide #cni16f https://t.co/7eoEQez66K
12/13/2016 6:20:17 PM

mcdonald: . @cstahmer gives shout to @ole_community 4 providing open source cataloging interface that can be used w/ #linked #data cataloging #cni16f
12/13/2016 6:20:20 PM
