Learning from *Celebrating Cuba!*

Celebrating Cuba! **reinforces and illuminates critical needs for large-scale, international collaborations, including:**

- **Bilingual metadata**
- **Dedicated staffing for project management**
- **Workforce changes for language and project management**
- **Leadership from the top (and throughout)**
- **Flexibility, patience and mutual respect**
- **Collaboration with the UF compliance office for taking equipment and digital files to Cuba without violating US Export Controls**
