

# Georgetown University

**1. Name(s) of programs (e.g. Scholars ' Lab ) and URL (s) associated with your DS program:** Digital Scholarship Services  
<https://library.georgetown.edu/digital-scholarship>

---

**2. If you have a mission statement or similar description of your program, please include it here:** The Digital Scholarship Services program will facilitate and foster a dynamic open environment for multidisciplinary inquiry, scholarship, and creative production :

- Provide expertise, resources, services, and space for the Georgetown University community to incorporate digital tools and methods into research, teaching, and learning.
- Support and collaborate on all stages of the digital scholarship project lifecycle, from initial planning and production to dissemination and archiving.
- Connect scholars with the resources needed to advance their scholarship by leveraging partnerships from across the University and beyond.
- Provide opportunities for the GU community to develop digital skills, explore emerging technologies, and develop new modes of inquiry, scholarship, and creative production .

---

## CONSULTATION

Digital technologies and tools = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Project planning = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Project management = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Building databases and archives = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Class projects/assignments = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Copyright, intellectual property = Offered by Library, Offered by other campus unit(s)  
Data management plans = Offered by Library, Offered by other campus unit(s)  
Metadata = Offered by Library  
Locating and selecting data sources = Offered by Library, Offered by other campus unit(s)  
Researchers' grant writing = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Digital publishing and dissemination = Offered by Library, Offered by other campus unit(s)  
Digital preservation/curation = Offered by Library

---

## EDUCATION/TRAINING

Workshops/bootcamps on tools/software = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Course-related sessions related to digital projects = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Credit courses on digital scholarship topics = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Symposia = Offered by Library + Partner(s), Offered by other campus unit(s)  
Badging = Offered by other campus unit(s)  
Events, e.g. GIS Day = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)

---

## FACILITIES

Training/classroom space = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Consultation space = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Collaborative project space = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Computer/data lab = Offered by Library, Offered by other campus unit(s)  
Media production studio = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Makerspace = Offered by Library, Offered by other campus unit(s)  
VR/AR studio = Offered by Library, Offered by other campus unit(s)  
Data science lab = Offered by other campus unit(s)

---

**INFRASTRUCTURE/ENTERPRISE SERVICES**

Digital preservation = Offered by Library  
Large-scale data storage = Offered by other campus unit(s)  
Digital publishing services = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Repositories = Offered by Library  
Programming, writing APIs = Offered by other campus unit(s)  
Computational processing of data = Offered by Library, Offered by other campus unit(s)  
Data recovery/migration = Offered by other campus unit(s)  
Software licensing = Offered by Library, Offered by Library + Partner(s), Offered by other campus unit(s)  
Virtual computing = Offered by Library + Partner(s), Offered by other campus unit(s)  
Security = Offered by other campus unit(s)

---

**9. What would you like to offer next?**

Advanced data analysis and management services, including a data visualization lab/studio; additional data and digital publishing services; application development support; a comprehensive service catalog.

---

**10. What type of staff are employed by your program? Check all that apply.**

Librarians, archivists, library staff  
Information technologists, including programmers  
Multimedia professionals  
Instructional technologists  
Data scientists/analysts  
Undergraduate students

---

**11. What constituencies are served by your program? Check all that apply**

Faculty  
Postdocs  
Graduate students  
Undergraduate students  
Community members  
Local high school students

---

**12. What disciplines are served by your program? Check all that apply**

Humanities  
Arts  
Social sciences  
STEM (science, technology, engineering, math)  
Professional (health sciences, law, business, etc.)

---

**13. Please provide pointers to additional materials that may be helpful in understanding the structure and work of your program (journal articles, book chapters, web pages, reports, etc.)**
