

Swarthmore College

1. Name(s) of programs (e.g. Scholars ' Lab) and URL (s) associated with your DS program:

DS@Swarthmore: <https://www.swarthmore.edu/libraries/digital-scholarship>
Tri-CO DS <https://ds-pages.swarthmore.edu/dsri/>

2. If you have a mission statement or similar description of your program, please include it here:

Digital Scholarship at Swarthmore supports faculty and students in the critical use of digital networked technologies in research and teaching. From collaborative projects to workshops and training, from student programs to partnering with regional and national partnerships, we work across disciplines to promote technologically, critically, and socially engaged scholarship.

Ask us about

consulting / on a range of research projects and digital assignments, whether at the idea stage, for a granting deadline, or for an upcoming course

connecting / faculty and students with expertise and resources whether in the library, across campus, or beyond

instructing / courses and workshops on digital tools and critical literacies for digital environments

managing / projects including teams, timelines, data, and other resources

building / projects that incorporate online exhibits, data visualizations, interactive mapping, text analysis, and other tools for research and teaching

Contact digitalscholarship@swarthmore.edu to get started

CONSULTATION
