# University of California, Irvine

**1. Name(s) of programs (e.g. Scholars' Lab) and URL(s) associated with your DS program:**

Digital Scholarship Services (DSS) https://www.lib.uci.edu/dss

---

**2. If you have a mission statement or similar description of your program, please include it here:**

DSS fosters the use of digital content and transformative technology in scholarship and academic activities. We provide consultative and technical support for a wide range of tools and platforms. We work with the campus community to publish, promote, and preserve the digital products of research through consultation, teaching, and systems administration. Our areas of expertise include data curation, research data management, computational research, digital humanities, and scholarly communication.

---
