Directions in Digital Scholarship:
Support for Digital, Data-intensive, and Computational Research in Three Institutions

Joan K. Lippincott, CNI, Moderator
Coalition for Networked Information Webinar
April 20, 2023

Components of the Initiative

- Interviews

- Institutional Profiles

- Invitational forums

- Report

- Session at CNI Spring 2023 Meeting

- Webinars

Digital Scholarship

What is Digital Scholarship?

Digital Scholarship extends traditional methods of research by leveraging new technologies and digital data to advance research and enhance pedagogy. While it is most commonly associated with Digital Humanities, Computational Social Science, and Data Science, Digital Scholarship is applicable to all disciplines, and it often relies on interdisciplinary collaborations. Examples of Digital Scholarship include:

- Text and data mining : apply computational and statistical methods to macroscopically explore large texts and data

- Social network analysis : uncover relationships and interactions between people, places, texts, etc

- Geospatial analysis : create data-driven maps

- Data visualization : analyze and display patterns, correlations, and other findings in meaningful ways

- Digital exhibits : build collections of images, texts, and sound to tell engaging stories

- Digital project management : get help designing and organizing your digital project to ensure scalability and sustainability

Our Presenters

- Joseph Lucia, Dean of University Libraries, Temple University

- Nicky Agate, Assistant University Librarian for Research Data & Digital Scholarship, University of Pennsylvania

- Olivia Wikle, Digital Initiatives Librarian, University of Idaho

Next Webinar

- Theme: ***What's Next***

- May 24, 2023 at 1PM Eastern – Registration coming soon

- Lauren DiMonte, Associate University Librarian for Research & Learning, Yale University

- Jay Brodeur, Associate Director, Digital Scholarship Infrastructure & Services, McMaster University

- Anne Cong-Huyen, Director, Digital Scholarship, University of Michigan
