Leadership Programmes

Equipping librarians to deal with new challenges through **strong** and **effective** leadership, Open Science is one of them, and a major one.

Two programmes for:

- [Emerging Leaders](#)
- [Library Directors](#) (*LIBER Journées*)

International Projects

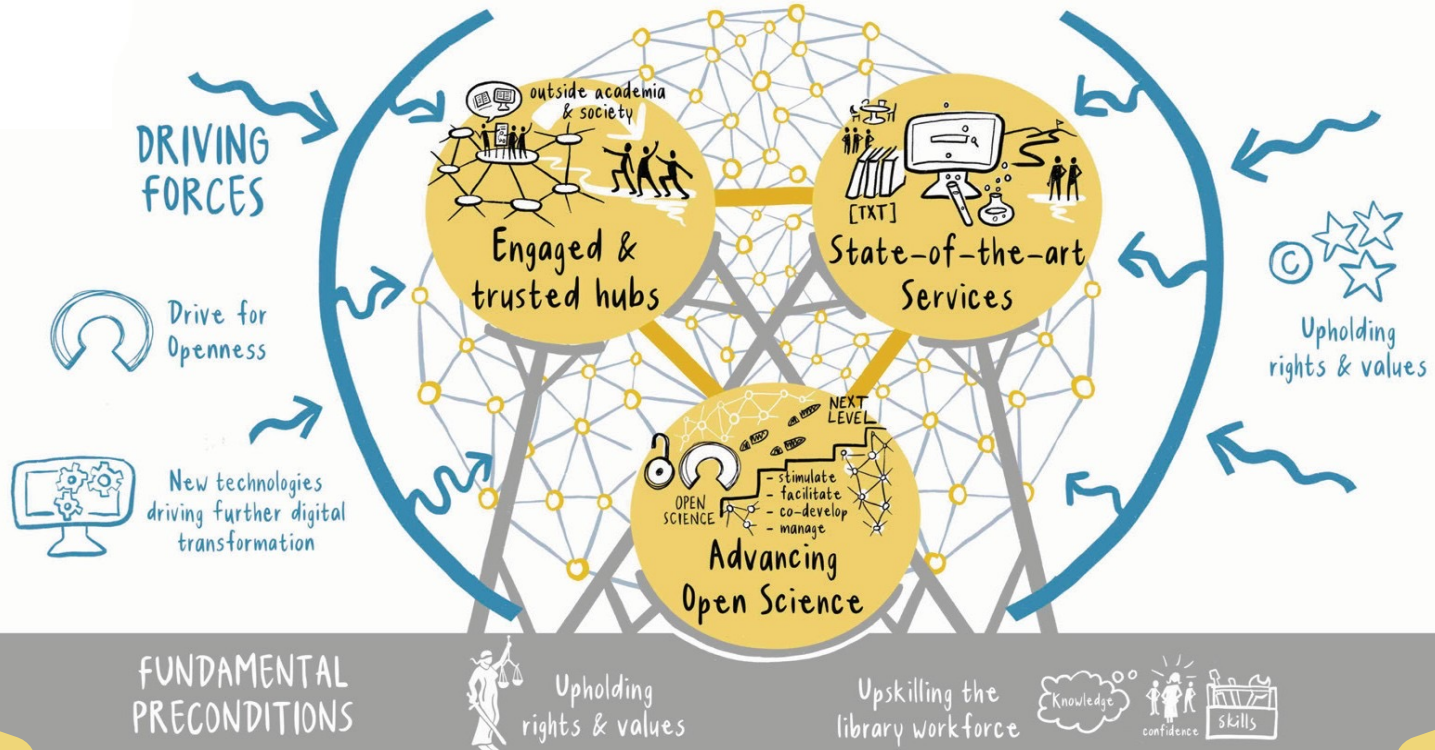

We bring to projects the strengths and expertise of our network, in areas such as:

- Leading the uptake of **Open Science** practices
- Promoting **Innovative Scholarly Communication**
- Supporting the development of **digital skills** and associated training activities
- Fostering the development and use of **research (e)infrastructures and services**
- Sustaining **Citizen Science**
